

Djanogly Sherwood Academy

Trailblazers

Welcome to Summer 2 2026

English

Writing - We will be writing a report linked to our Golden Age of Islam topic about the surgeon and inventor Al-Zahrawi.

Reading- We will be focusing on practicing our reading fluency skills to be more expressive readers. We will also be practicing summarising and sequencing different texts.

Maths

In Maths, we will be continuing with decimals, adding and subtracting and multiplying and dividing by 10, 100 and 1000. We will also be learning about Geometry, by looking at the property of shape, including using protractors and calculating angles. Finally, we will be learning about converting units of measurement and volume.

Curriculum- Golden Age of Islam

In the second part of this History focussed unit of learning we will be learning about Europe experiencing the Dark Ages and the differing situations in these regions can be attributed to various social, political, and cultural factors.

In music we will be learning about Synth music and which instruments are often used.

In science we will be studying the life cycles and habitats of different living things include mammals, amphibians, insects, and birds.

In DT we will be practicing sewing skills and using different fasteners to make and modify a tool belt.

RSHE will be learning about the changes in adolescent bodies, for which a separate letter was sent in Spring 2.

Important Dates
