

Autumn 1 Homework Menu

Choose 2 or 3 activities to do at home. Please bring anything you have made or any photos of your activities into school for your learning journey. You can send them through Evidence Me or bring what you have made in for us to see!

Practice writing your name.

Can you have a go at writing your name? I wonder if you can form your letters correctly? Keep practicing the letter patterns they will help you to remember how to write the letters correctly. Don't forget you have your name card and white board to help you.

Scavenger Hunt

Can you go on a walk and collect some natural materials for us to use to create some art pictures with? Sticks, acorns, pinecones, leaves, petals etc would be super!

Make your own playdough

It is really important to help children to build the muscles in their hands to support their writing skills. We have provided a recipe for playdough so that you can make some together at home and practice fine motor skills. How many ways can you move your playdough? Can you, pinch it, roll, it, squash it, poke it, squeeze it? Have a look at this 'dough disco' activity that you can do with the play dough.

Scan the code for a playdough recipe.

Create a colour collage

Can you create a collage of your favourite colour? Choose lots of different objects to stick on your picture.

Don't forget...

Bring in a family photo for us to display in the classroom.

Don't forget to read your reading for pleasure and phonics books!
